

Kossuth County Republican Central Committee
October 23, 2023

Meeting was called to order at 7:00 P.M by Co-Chair Jessica Emswiler with prayer, Pledge of Allegiance and roll call of the Central Committee members. Present were Eldon and Diane Jorgenson, Ken Clark, John and Jessica Emswiler, Kendal Pals, Abigail Monson and Lyle Prunty.

No guests present.
No treasurer's report.
No supervisors.

Discussion on fundraising. Kendall Pals is concerned about all the fundraising happening now with other area programs and everyone was in agreement to wait. The spring would be a time to begin. There was a thought of doing an event when the Peasants Forever did theirs and Governor Kim Reynolds will not be attending. We still have a supply of t-shirts for sale, chili/soup feed/contest in later March/first part of April and a potluck meal at Jim Black's residence are the ideas brought forth. Lyle Prunty and Ken Clark recalled fund raising at the caucus in 2016 was a success. Let the people know the fundraising will be happening at caucus night, pass the hat idea and sell the t-shirts. This can be announced and while votes are counted this can take place.

A question about people being allowed to sign up as a Republican at the caucus and how to make the process quick. We need extra people to volunteer to assist with precinct information as it is expected to be a busy evening. We need to invite representatives running for office as this helps bring people to caucus.

There is concern about the website. The Facebook website needs to have an official site for the Kossuth County Republicans. John Emswiler and Ken Clark will work on the details. A new email should be set up and emails updated.

The next meeting will be at Pizza Ranch, November 27,2023 at 7:00 P.M.

Meeting adjourned 7:52 P.M.

Secretary,
Diane Jorgenson
